HONORS THESIS PROPOSAL

Name: _____ **Graduating Class:** _____

Access Id: _____

Thesis Advisor (Department):_____

To satisfy your Honors Thesis requirement, you must register for BE 5998 and submit a written paper (minimum of 20 pages) based on an experimental, analytical, or computational research paper to be performed by the student on a topic related to engineering. Please describe your intended project below, have your Thesis Advisor sign to indicate approval, and submit for Departmental approval. This must be done before registering for BE 5998.
