

industrial & systems engineering

WAYNE STATE UNIVERSITY COLLEGE OF ENGINEERING

The Operations Management Leadership Program (OMLP) Application

To be considered for a OMLP Scholarship, applicants must submit:

- This completed application form
- Transcripts from WSU and/or all other post-secondary schools attended
- A personal statement explaining your future goals and how the OMLP would help that pursuit
- Two letters of recommendation

You **must** complete **all** parts of this application. Information requested in this application will be used to determine your eligibility for the OMLP program offered by the Department of Industrial and Systems Engineering. Applicants may be interviewed by University or industry reviewers before a final decision on awards is made.
