- Math (Mandatory)
 - Dynamics
 - Mechanics of Materials
 - Thermodynamics

Absenteeism for any exam, without a written notice, will result in a failing grade for the exam. If a student feels that there are extenuating circumstances (medical or family emergency) justifying his\her absenteeism then he\she must submit an official written notice to the Graduate Program Director within three working days prior or after the exam date. Students are referred to the “PQE Guidelines” document for the submission of written notices.

Student signature: _____

Date: _____

The completed form should be submitted to the ME Graduate Program Director or the ME Front Desk no later than one week prior to the exam date.
