SENIOR RULE REQUEST FORM

Students entering into their final semester of undergraduate coursework may apply to a College of Engineering Graduate program under the Senior Rule status (Senior Rule status is valid for one semester only) provided they meet the following requirements:

- Minimum overall 3.0 upper division GPA
- Must be enrolled in at least one credit required for completion of their WSU undergraduate degree program, and may enroll in maximum of 16 credits total (undergraduate and graduate credits combined) for the semester
- Must apply for degree by submitting the degree application via Academica by the posted university deadline
- Submit a complete online Application for Graduate Admission
- Fulfill all other Senior Rule requirements as outlined in the WSU Graduate Bulletin (www.bulletins.wayne.edu)
- Submit Senior Rule Request Form signed by the undergraduate Academic Advisor verifying student eligibility

Name: _____ Student ID: _____

Address: _____

Phone: _____ WSU Email: _____

Major(s): _____

Expected Graduation Date: _____ Date You Applied in Academica to Graduate: _____

Student Signature: _____ Date: _____

STUDENT: The Senior Rule status is only valid for the term entered below by your advisor. If you do not graduate that term or you choose to not use the Senior Rule status that term then you must submit a new Senior Rule Request Form for the new term you are requesting.

To be completed by an Academic Advisor for your current program:

☐ I have verified that the above student is/will be completing their final degree requirements during the _____ semester and has applied for degree. He/she also meets the GPA and credit requirements to enroll as a graduate student under the Senior Rule status.

☐ Advisor signature: _____ Date: _____

STUDENT: Please return this completed form to the Graduate Programs Office in the Engineering Building, Room 1527. You are responsible for also completing the Application for Graduate Admission at www.gradapply.wayne.edu. Please contact EngineeringGradAdmissions@eng.wayne.edu with questions.
